MAPPING THE SOCIAL LANDSCAPE

Ninth Edition

With love to my grandmother, Edna Catherine Clark, who always believed that an education would open the doors of the world to me. She was right.

Sara Miller McCune founded SAGE Publishing in 1965 to support the dissemination of usable knowledge and educate a global community. SAGE publishes more than 1000 journals and over 800 new books each year, spanning a wide range of subject areas. Our growing selection of library products includes archives, data, case studies and video. SAGE remains majority owned by our founder and after her lifetime will become owned by a charitable trust that secures the company's continued independence.
